January / 2017

Communication Sponsor

Custom Payroll Associates, Inc. is a full service payroll processing company that has been in business more than 20 years as a payroll service provider.

We have one of the highest client retention rates in the industry. This is due to the level of service we provide. We call this "Personalized Payroll Processing" and our goal is to always exceed your expectations.

5 things agents should know about continuing ed.

**Continuing education is required to keep your insurance license in
good standing. It also keeps you informed and helps you better serve
Texas consumers. Here's what you need to know to stay current and
avoid fines.**

- 1. How much, how often?**
- 2. Check your status**
- 3. Avoid Fines**
- 4. Texas state rules**
- 5. Not using your license?**

HUPAC - You can make a difference

HUPAC is the political action committee of the National Association of Health Underwriters (NAHU). It is the expression of our First Amendment rights to free speech and association guaranteed under the Constitution. Such political expression has become far more than a useful option for professionals in a heavily regulated business like the health insurance industry. It has become a necessity.

It Happened Last Month at FWAHU December - Election Updates from Washington

Thanks to Ed Oleksiak for filling in for Marcy Buckner of NAHU. Ed did a wonderful job in providing information and statistics on how the Presidential was won by the Republicans. The break down of the American voters was vastly misunderstood prior to election day.

Thanks ED, it was EDucational. Awesome.

If you are not following FWAHU on Facebook, then you missed FWAHU on Facebook LIVE last month as part of Ed Oleksiak presentation was broadcast live on Facebook.

Click on the Facebook link below and LIKE our facebook page. You never know who will be broad casting live in January.
