November is; "Gripe and Give"

(no regular schedule luncheon but replaced by a Happy Hour)

Yea, you heard that right. Its right in the middle of "game-time enrollments" so come and enjoy some good company, raise a glass, and GRIPE, GRIPE, GRIPE and GIVE, GIVE, GIVE.

Join us for a Social Hour instead of our regular schedule meeting at:

BFF Asian Grill - 2150 E Lamar Blvd - Arlington
November 10th - 3-5 PM.

The Election will be over some come and celebrate or drown your sorrow's.

TAHU In The News

Join members of TAHU for the 23rd Annual Day at the Capitol. This legislative session will provide a forum to identify key issues affecting our clients. This is your chance to be on the leading edge of change in our industry and have the opportunity to visit with lawmakers following lunch to discuss issues affecting our industry.

Don't miss this opportunity to have your voice heard! Registration will begin at 7:30am. Meet with your Legislators after lunch.

Going On AT NAHU

All Americans, including Medicare beneficiaries, need to have a wide range of health plan choices available to them and the ability to pick the policies that best suit their individual needs. Congress should not limit the ability of seniors to access any Medicare coverage option, nor should they restrict senior access to the services of licensed professional health insurance producers.

Policymakers should also refrain from financing deficit reduction measures or other healthcare reform programs on the backs of our nation's senior citizens by changing the funding of their private Medicare coverage options. Preserving the financial stability of the Medicare program, and its private option counterparts, is critical as well.

HUPAC - You can make a difference

HUPAC is the political action committee of the National Association of Health Underwriters (NAHU). It is the expression of our First Amendment rights to free speech and association guaranteed under the Constitution. Such political expression has become far more than a useful option for professionals in a heavily regulated business like the health insurance industry. It has become a necessity.
