May Luncheon

Attention FWAHU Members and Associates. . .

Please join the Fort Worth Association of Health Underwriters on Thursday, May 10th when we will have the pleasure of interacting with leading underwriters for a fantastic opportunity for insight into the minds of the underwriters of various medical carriers, including a question/answer period at the close of the panel discussion. This is your unique chance to ask questions such as "Why are two months of payroll records necessary?" or "Why is my client required to submit his personal K1s?"
